****Improvement Tips:****

1. ****Budget Tracking****: Categorize spending more strictly. Consider tracking daily expenses to identify and cut non-essential costs, particularly in the shopping category where ■465.00 was spent.
2. ****Increase Savings Rate****: Aim to save a specific percentage of the income each month. For instance, setting aside at least ■2,000.00 monthly can help reach the goal sooner.
3. ****Explore Side Income****: As a student, consider part-time opportunities or freelance work that aligns with your schedule. Even an additional ■1,000.00 monthly can significantly boost your savings.

****Goal Progress Commentary****: With current savings and projected income, Tash needs to save approximately ■2,797.50 monthly to meet the target by the deadline. Focused budgeting and potential extra income can make this achievable.
